

Christian Life Community of the USA

May 11, 2015

Dear New York KCLC Community,

Christina Kim shared news and pictures from your commitment ceremony on April 19 with the CLC-USA Executive Council. I acknowledge with great joy the celebration of one permanent commitment, seven temporary commitments and 18 commitment renewals to Christian Life Community. I congratulate each of you on making this commitment. I am grateful for the journey you have been on as you learned about CLC and discerned to be part of the CLC community.

I would like to specifically recognize each person making a commitment:

I also would like to thank everyone in the New York KCLC community that discerned with each person making a temporary or permanent commitment. Walking with each other and supporting each other reflects our commitment to each other as a CLC community.

I wish I could have been with you at your commitment celebration. It can be difficult when we are so spread out across the U.S.A. to feel connected to each other and feel part of a wider community. However we need to remember that we are part of a National and World CLC community and our commitment reflects our desire to be part of this

World CLC community. An important part of your commitment to CLC is our commitment to you as the CLC-USA community to continue journeying with you as your CLC vocation grows deeper.

I welcome each person making a commitment to the CLC community and am hopeful that you will have the opportunity to experience being part of the wider CLC community and share your gifts and graces with us.

Blessings,

Rick Kunkle
CLC-USA President
